Tanana Valley Farmers Market
2025 Vendor Agreement for Food Stamp Program

The Tanana Valley Farmers Market has implemented a Food Stamp Program. The market’s goal, with you as partners, is to provide a value-added revenue source for the vendors and to offer fresh fruits and vegetables to low income families who use food stamps. In addition, because we are offering QUEST services, we feel confident that the (Market) can increase the overall vendor sales and the current average daily crowd count of the market. The market will promote this program in market signage, press releases, and in our monthly advertising. All revenues and expenses of the program will be reviewed each year for its value to the market, the farmers and to the community.

For consistency in the program and clarity for the market customer, the Board requires that all produce and value added food vendors that participate in the program submit this form. There is no fee for the program, customers will purchase EBT tokens at the Market Information Table. The customers will use these tokens to purchase your products. At the end of the day, vendors will count the tokens and must place them at the end of each day in an envelope provided by the market manager. The market manager will collect and document all tokens returned for each market, and once a month will make an ACH direct deposit to the corresponding vendors account. Vendors will benefit as if they had individual wireless EBT/Debit machines without the additional bookkeeping tasks.

Due to Federal Regulations of the Food Stamp Program, we are asking vendors to sign this agreement to assure that they are aware of the rules of the program. The (market) sees this program as a joint responsibility.

I, _____ on behalf of my business, _____ agree to abide by the rules described herein as they relate to the processing Food Stamp and Debit transactions. I/we agree to follow all USDA Food Stamp Program rules, as outlined on the bottom of this agreement. I/we understand that the Market Board has the right to remove vendors from the market who do not comply with these rules.
